Attention Business/Financial Editors:
Uranium Bay announces second financing with the MineralFields Group

(TSX-V Symbol: UBR)

MONTREAL, Feb. 25 /CNW Telbec/ - URANIUM BAY RESOURCES INC. (TSX-V: UBR) is pleased to announce that it has entered an agreement for a non-brokered private placement in the amount of CAN \$750,000, for the sale of 5,000,000 flow-through units ("FT Unit"), at a subscription price of \$0.15 per FT Unit, to the MineralFields Group and several individual investors, subject to the final approval of the TSX Venture Exchange.

Each FT Unit will consist of one (1) Flow-Through Share and one-half (1/2) non-flow-through common share purchase warrant of the Company ("Warrant"). Of the subscription price of CAN \$0.15 per FT Unit, the Company intends to allocate \$0.149 to the price of the Flow-Through Share comprised in each FT Unit and \$0.001 to the price of the Warrant comprised in each FT Unit. Each full Warrant will entitle the holder thereof, during a period of 24 months from the date of closing of the placement, to purchase, subject to adjustment in certain events, one (1) common share at an exercise price of \$0.25 per Common Share, during an initial period of 12 months from the date of closing of the placement; and at an exercise price of \$0.40 during the remaining 12 month period. Each share issued will have a mandatory four (4) month holding period from the date of the closing of the placement.

Limited Market Dealer Inc., of which First Canadian Securities (R) is a division, will receive a 4% finder's fee paid by way of 200,000 Common shares and 10% finder's warrants, which will allow the finder to acquire 500,000 FT Units at an exercise price of CAN \$0.15 each on the same terms as the Subscriber's Units.

Mr. Bernard Tourillon, Uranium Bay President and CEO comments: (...) We are very pleased to be continuing the relationship with the MineralFields Group, Uranium Bay major strategic partner and largest shareholders (...) the successful closing of this financing will give the Corporation around CAD \$2.5 million in working capital (...) These flow through funds will enable the Corporation to start implementing its 2008 exploration program on its Uskwanis Uranium property (...) This is an important milestone in the growth of Uranium Bay and we look forward to continuing to work with the MineralFields Group as we develop our holdings in the Province of Quebec. (...)
